Dear Parents and stake Holders, Jai Hind!

It gives me immense pleasure to connect with you through the pages of KIS KARNAL Information Brochure. After serving the Indian Army for 33 years. I have got this rare honour to serve the children of KIS, Karnal. Why I call this rare honour is because after serving children of Sainik School Kunjpura for almost 4 years, destiny has brought me back to Kunjpura, Karnal to help students to realise their dreams and goals.

At Karnal International School, we have straight away moved into mission mode to make our students 'Future Fit, Future Ready' so as to make them career oriented learners having traditional wisdom with modern scientific outlook. We have created a symbiotic relationship between theoretical classroom teaching and practical world outside the classroom so that our students acquit equally well in both spheres.

We have placed the best faculty to prepare our students not only for various Olympiads, competitive exams like NDA, JEE, NEET etc. but a full fledged SSB obstacle course has also been created to give necessary training to the NDA Exam aspirants looking forward to become officers in the Indian Defence Forces. KIS Karnal has created a state of art infrastructure for its students having AC class rooms, Students mess and AC Hostels.

In its very first batch of NDA UPSC written Exam, 19 students have passed the exam and are being trained to appear in the SSB Interviews.

At Karnal International school, we are fully committed to give a holistic and nurturing learning experience to our learners so that they become academically sound, physically fit, morally upright and mentally robust well adjusted Global Leaders having excellent academic and interpersonal skills and thus becoming fit in all fields to have an excellent career options for themselves.

**'Wishing You Godspeed in all your noble endeavors',

Founder's Message

Jitendra Singh Ahlawat

Founder (Genesis Group of Schools)

Managing Director (Genesis Group of Institutions)

Dear Parents,

It is with great pride and purpose that we welcome you to KIS Boarding, a sanctuary for young minds where tradition meets excellence. Our mission is simple yet profound: to preserve and instill the values of our cultural heritage while providing your ward from with a world-class education that prepares them for the future.

At KIS Boarding, we understand that education is a sacred duty. As parents, you have entrusted us with your most precious gift—your child. We wholeheartedly embrace this responsibility. Our boarding school is not just a place of learning but a home away from home, where your child will grow, thrive, and flourish in an environment rooted in discipline, respect, and timeless wisdom.

We do not want to burden parents with the anxieties and pressures of modern education. Instead, we take full

responsibility for your child's academic growth, character development, and overall well-being. Our dedicated faculty, holistic curriculum, and nurturing environment ensure that your child will receive the attention and care they deserve, allowing them to excel without placing undue strain on your family.

This school is more than just an institution; it is a community where boys are moulded into confident, responsible, and compassionate individuals. With a deep respect for our traditions, we instill in them the values of humility, resilience, and a lifelong love for learning.

We invite you to join us in this sacred endeavor—together, we will cultivate a generation of young believers who will carry forward the torch of knowledge, honor, and integrity.

Director's Message

Prakash Joshi
(Director)

Dear Parents, Students, and Future KIS Boarders. It is with great pride and enthusiasm that I welcome you to KIS Boarding. As Director, I am thrilled to share our dedication to fostering an environment where education and personal growth go hand in hand.

At KIS Boarding, we believe that every student is capable of remarkable achievements. Our approach is centered around creating a supportive and stimulating environment that encourages curiosity, resilience, and excellence. Our dedicated faculty members are committed to providing a high-quality education while nurturing each child's individual strengths and passions.

We offer a holistic educational experience that extends beyond academics. Our focus on a balanced diet, physical well-being, and personal development ensures that students are prepared to thrive in all aspects of life. We also emphasize the importance of traditional values and character development, which we believe are essential for building a strong foundation for future success.

Our goal is simple: to see every student flourish into a confident, capable individual who is ready to make a positive impact in the world. We strive to create a nurturing environment where students feel valued, supported, and inspired to achieve their very best. Thank you for considering KIS Boarding as the next step in your child's educational journey. We look forward to partnering with you in guiding your child towards a bright and successful future.

INTRODUCTION:

KIS Karnal is a leading CBSE-affiliated, English-medium, day-cum-residential institution established in India in 2007. Located approximately 5 km from Karnal airport in the village of Kunjpura, the school's site is remarkable for the peaceful and serene atmosphere of its sprawling, lush green 27-acre campus. The school is managed by Mahavir Shiksha Samiti, and its board of trustees includes distinguished educationists, philanthropists, executives from the corporate sector, and ex-army officers of the Indian Army.

VISION:

The School's grand vision is to nurture students who are physically fit, academically sound, morally upright, mentally robust, and socially well-adjusted global leaders with excellent communication and interpersonal skills.

MISSION:

Karnal International School is committed to preparing career-oriented learners who are future-ready, combining traditional wisdom with a modern scientific outlook. Upon graduating, these students will be well-equipped to serve not only themselves but also a large number of their fellow citizens in our great nation, Bharat.

FACULTY:

At KIS Karnal, we understand that teaching involves not only imparting knowledge to young learners but also entails their holistic development and nurturing. KIS has a highly experienced faculty with a proven track record of guiding students not only to excel in academics and CBSE Class X & XII exams but also in preparing for exams like NDA, JEE, and NEET. The faculty also works to equip students with the necessary life skills to meet future challenges.

COMPUTER LAB:

KIS Karnal has three state-of-the-art computer labs, which provide our students with ample opportunities to design computer programs. Computer education is introduced from Class III onwards, enabling students to learn how to use technology effectively and develop essential skills like problem-solving and critical thinking.

SCIENCE LABS:

The institution has well-laid-out, modern, and well-equipped labs with up-to-date apparatus for Physics, Chemistry, and Biology. In these labs, the theory learned in the classrooms is put into practice through hands-on experiments and experiences.

LANGUAGE LAB:

KIS has established a digital language lab to provide regular practice and help students gain correct control of the English language. Under the guidance of qualified teachers, students engage in speaking and listening drills. They also benefit from watching English language training sessions conducted by experts.

LIBRARY:

KIS Karnal has a well-stocked and spacious library with more than 6,500 books on various topics and interests. The school library also subscribes to a number of newspapers, magazines, and journals for its students. This storehouse of knowledge is used by students to upgrade their knowledge and to prepare for various contests and competitions.

SPORTS:

KIS Karnal has excellent sports facilities on its 27-acre campus. Students have the opportunity to play games such as basketball, football, volleyball, cricket, handball, badminton, table tennis, boxing, judo, martial arts, and athletics. The school's teams regularly participate in district and state-level tournaments.

JEE (MAIN) / NEET / NDA / OLYMPIADS:

KIS Karnal specializes in career guidance and student preparation. The school has an expert and experienced faculty with a proven track record of guiding students systematically for JEE (Main), JEE (Advanced), NEET, NDA, and various Olympiads, without putting them under undue pressure. The curriculum is fully aligned to help students excel in their CBSE Board exams while also providing adequate time and academic support for their competitive exam preparation.

All About NDA

What we Aim for

Our aim is to become the premier feeder institution for the National Defence Academy (NDA) and Technical Entry Scheme. We achieve this by making our students academically sound, physically fit, and mentally robust, enabling them to clear NDA written examinations in large numbers and to be recommended for selection by the Services Selection Boards (SSBs) of India.

Our Mission

Our mission is to provide the best guidance and training to young boys, helping them realize their dream of becoming an officer in the Indian Defence Forces through the National Defence Academy and Technical Entry Scheme.

Defence Services Wing (DSW)

In its pursuit to make students of KIS Karnal "Future Fit, Future Ready," the school has established a robust Defence Services Wing (DSW). This initiative is designed to encourage students to pursue a career in the elite Defence Forces of our country.

(a) Preparation for NDA Written Exam:

A well-qualified and highly competent faculty, who are well-versed in the UPSC Exam syllabus for the National Defence Academy (NDA) in Khadakwasla, have been appointed to the Defence Wing of KIS Karnal. This ensures that students begin preparing for their competitive exam from Class XI. A systematic plan involving periodic tests and mock tests before the final exam will always result in a high success rate for our students.

(b) Services Selection Board (SSB) Interview Guidance Program:

KIS Karnal offers a well-established SSB Guidance program for students interested in a career as an officer in the Defence Forces. An experienced team of Ground Testing Officers (GTO), Psychologists, and Interviewing Officers (IO) works with our Chairman, Col. Arun Datta, to prepare students for the SSB interview, starting from Class XI. The school features a full-fledged obstacle course as well as indoor and outdoor training facilities to keep NDA aspirants physically fit.

(c) Technical Entry Scheme (TES):

Apart from NDA preparation, KIS Karnal guides its eligible students to join the TES Entry of the Indian Army, Air Force, and Navy. This allows them to become officers in the technical branches of the elite Indian Defence Forces. The KIS faculty prepares Class XII students in such a way that they receive interview calls and successfully clear them.
